## LEADERSHIP, LEARNING AND WELL-BEING BOUNDLESS VISION PROGRAMME

### BOUNDLESS VISION

- Loss of confidence or impacted by imposter syndrome?
- Do you regularly feel overwhelmed or stuck?
- Would you like to take purposeful action and gain clarity of direction?

*Developing Boundless vision will:*

**Enable** you to e-energise and renew your vision

**Empower** you to connect with your authentic leadership identity

**Create** the habits and environment to ensure you regularly refuel your determination and purpose

This programme offers the tools and resources to equip you to build confidence, grow your leadership capacity and experience more joy.

In five practical and creative sessions within a supportive and confidential coaching group, supported by 2 months' access to a leadership tool, this coaching programme offers challenge and support for your personalised learning journey and development.

Our sessions will introduce a range of practical strategies to develop awareness and creative approaches that will boost your toolkit for building resilience and ensure you realise your vision and clarity of purpose.
